

## Who we are?

My name is Danny Pisano. I own and operate Wedge Engineering and Seat Source in Long Beach, California. My family also owns and operates Venolia Pistons which supplies pistons to many of the NHRA teams. The Pisano brothers (my father and uncles) started racing on the streets of Southern California in the late 50s. By the early 60s they found their way to the salt flats and ran at Bonneville. In 1964 they set a two-way speed record of 201 MPH that stood for 22 years. In 2003 my father Carmen Pisano passed away. In 2004 I attended a Goodguys nostalgia drag racing event with friends George Doty and Larry Pettit. It was during that event I started thinking about building a car. That led to a dream which convinced me to build a "Pisano" tribute car. Two years later my dream became a reality when the Pisano & Matsubara 1974 Vega tribute car was completed, thanks to the support and efforts of Todd Mallory, 'Big Mike' Mallory, and Mike Filitti. Which leads me to my latest venture, cars and food. I have a passion for both as did my father and his father. My wife, Barbara, my mother Helen and children Nina, Christina, Angela, Lyndsea, and Chasen are my greatest support system and we all welcome you to Cops and Rodders!

My name is Marc Mallory, formerly Sergeant Mallory of the Lake Havasu City Police Department, retired. I am a 31 year veteran of law enforcement, beginning my career in Sierra Madre, California. I came to Lake Havasu in 1978 and went to work for the Mohave County Sheriffs Office. In 1981 I started with the newly formed Lake Havasu City Police Department, which at the time only consisted of about 20 officers. My parents and siblings followed me to Havasu and soon after opened "The Boathouse" restaurant. My father's many years of experience in the food industry made "The Boathouse" a popular Havasu gathering place, known for "Mallory's Famous Fish and Chips". When my father retired and closed the Boathouse I began dreaming of someday having my own restaurant. In 1988 I moved to Kauai, HI and opened a small restaurant called "Taco Dude". My dream fulfilled, I returned to Lake Havasu and resumed my career with the Lake Havasu City Police Department, retiring in 2005. Inspired by a life long passion for drag racing and food here I am, in business with my best friend and business partner, Danny Pisano. My wife, Diane, my mother Evelyn, sons, Sean and Bill, and granddaughter Izzy join me in welcoming you to
