BAKING INSTRUCTIONS

www.papamurphys.com

HELPFUL HINTS FOR THE PERFECT PIZZA

- Bake only one pizza or calzone at a time.
- If you are not going to bake the pizza within 60 minutes, it should be refrigerated.
- If the pizza is refrigerated, remove pizza from refrigerator at least 30 minutes prior to baking.
- Bake pizza on the baking tray it comes on.
- Make sure baking tray does NOT touch the sides or back of the oven.
- Baking tray may discolor, which is normal.
- For a crispier crust, slide pizza directly onto oven rack after approximately 12 minutes baking time (25 minutes for stuffed pizza or calzones), and bake an additional 2 or 3 minutes.
- Do NOT reheat the pizza in an oven on the baking tray.

Papa's and Gourmet Pizzas

- Preheat oven to 425 degrees.
- Remove wrapper and instructions.
- Place pizza (with the baking tray) on the center rack of the oven.
- Check pizza after 10 minutes. If large bubbles appear, puncture with fork.
- Average baking time is 12 to 18 minutes. Pizza is done when the crust is golden brown and the cheese is melted.
- Remove pizza from oven, let set for 5 minutes then slice, serve, and enjoy!

deLITE Pizzas

- Bake only one Thin Crust deLITE Pizza at a time.
- Place your oven rack on a lower position—approximately 4" from the bottom.
- Preheat your oven to 425 degrees.
- Remove the plastic wrap and baking instructions from the tray.
- Place the tray directly on the rack and bake for 12 to 18 minutes.
- Check your pizza after 12 minutes. If a crispier crust is desired, slide the pizza off the tray and bake for another 4 to 6 minutes. It is done when the cheese is melted and the crust is golden brown.
- After removing your pizza from the oven, let it cool for 5 minutes, then slice, serve and enjoy!

Calzones and Stuffed Pizzas

- Preheat oven to 375 degrees.
- Remove wrapper and instructions. For calzones, also remove the sauce cup.
- Place stuffed pizza or calzone (with the baking tray) on the center rack of the oven.
- Bake approximately 25-30 minutes (Ovens vary so baking time may vary). Pizza is done when the crust is golden brown and the cheese is melted.
- Remove pizza from oven, let set for 5 minutes then slice, serve, and enjoy!
