# World Famous Turtle Buckets

## Tim's Hardshell Lemonade

Turtle Tim's own recipe brings a new meaning to lemonade. A blend of vodka, triple sec, sour mix cranberry and grapefruit topped with a splash of Sierra Mist. After a couple of these refreshing concoctions, the compass will always point to terrapin.

## Painted Turtle Tai

We scoured the thickest jungles of South America for this ancient recipe. Given up by King Turtle himself. It has been said that youth and good fortune come to those who partake in this bucket of beverage. Vodka, Midori Melon Liqueur cranberry and pineapple.

## The Tortoise with Hare

This turtle may be slow out of the gate, but slow and steady will win any race. On your mark, get set, go!! Our Oasis Margarita Mix, Midori Melon Liqueur and lots of Gold Tequila.

## The Naked Turtle

Our Signature Bucket. OH MY! This Hawaiian Blend is the Turtle's own aphrodisiac potion. One of these and you may meet that river guy or gal of your dreams. (Disclaimer) the potion wears off in 8 hrs. Blended with the finest swamp rum from Jamaica, tropical pineapple, orange juice and a dash of grenadine, floated with dark rum 151 by special request. After one of these, everyone is a 10.

## The Pina Pond Turtle

This Caribbean classic has all the tropical juices with a coconut kick. Don't let the placid surface fool you; this turtle makes plenty of waves. Blend of Captain Morgan Spiced Rum, coconut and pineapple.

## The Strawberry Snapping Turtle

This sweet tasting reptile has been known to sneak and bite a few folks when they weren't looking. Blend of strawberries and bananas, drowned in Jamaican Rum.

## The Tabama Slamma Redbelly Turtle

This Southern reptile is anything but timid. One minute he's whistling Dixie and the next, if he's not careful, he's waking up on the beach with a belly as red as his neck. Blend of sour mix, vodka, Midori Melon Liqueur, Blue Curacao and a splash of orange juice.

## The Beached Banana Turtle

This is one lady who knows what she wants. Look all you want guys, just don't touch. She has her beach and her banana, so she has little use for you. Island Oasis Banana, strawberries, rum, and Midori Melon Liqueur.

## Naughty Turtle

After a couple of these, this turtle is anything but bashful. She has been spotted out of her shell at Copper Canyon and the Sand Bar. Not for the weak of heart. Banana, ice cream, rum and Midori Melon Liqueur.
